

## **Pinchin Ltd Adopts Heart House Hospice as Charity of Choice for 2014**

**Mississauga, ON, September 3, 2014:** With their head office in Mississauga, Ontario, Pinchin Ltd. has chosen to support Heart House Hospice as one of their key local community initiatives for 2014. From candy grams to BBQs, the staff at Pinchin will help raise much needed funds for Heart House Hospice while increasing awareness of the palliative care supports readily available at no cost to families in the community.

“The Pinchin team is pleased to support to Heart House Hospice this year. We believe they are an integral part of our community and their efforts positively impact many lives each year. Through our support and participation, we look forward to helping expand their reach to positively impact even more individuals and families in need.”

Jane Grinnell, Marketing Business Manager, Pinchin Ltd.

“Heart House Hospice is thrilled to receive the support of Pinchin that directly impacts our work in the community with palliative individuals and their families. Their commitment to deliver high quality service in a timely and cost effective manner mirrors our own commitment to excellence in palliative care. We are so grateful for this new partnership.”

Theresa Greer, Executive Director, Heart House Hospice

### **About Heart House Hospice**

Heart House Hospice exists to make a meaningful difference in someone’s end of life experience. We do this by providing the highest quality end of life support to our terminally ill clients. Our services are personalized, focused, flexible and responsive to the individuals and families we support. Our staff and volunteers are well trained, professional and compassionate. Our services are mindful of cost and focused on providing a service that is valued by the community and the health care system.

### **About Pinchin**

Pinchin Ltd. is one of Canada’s largest environmental, health and safety consulting firms. For decades, Pinchin has been providing clients with solution-focused services and training in the environmental and health and safety field to: Property Managers & Developers, Hospitals & Health Care Facilities, Educational Institutions, Private Equity & Institutional Investors, Financial Institutions, Insurance Companies & Adjusters, Government Institutions, Building Owners, Commercial, Industrial and Residential Properties, Contractors (General, Restoration, and Hazardous Materials).

From St. John’s to Victoria, Pinchin is a cross-country network of four regionally-owned companies, staffed by a team of over 600 skilled and experienced professional engineers, scientists, industrial hygienists, geologists, technologists, project managers and support staff, to offer localized solutions to complex problems.
