

**Golf Fore Hospice in Honour of Mayor Bonnie Crombie raises over \$80,000
for compassionate hospice care!**

ONTARIO, July 31, 2018 – **Golf Fore Hospice in honour of Mayor Bonnie Crombie**, presented by Mattamy Homes, was held on **Tuesday, July 10, 2018** at the Granite Ridge Golf Club at 9503 Dublin Line in Milton.

A complement of 132 golfers experienced the challenging Cobalt Course at Granite Ridge Golf Club, a true BBQ lunch, and a mouth-watering awards dinner – a perfect finish after a beautiful, sunny day on the links! Guests had the opportunity to bid on an array of luxury items and life experiences featured in both the live and silent auctions, which together led to the outstanding result of **over \$80,000** raised to help deliver compassionate care to those in need.

Heart House Hospice was overwhelmed by the tremendous support received at the Golf Fore Hospice tournament. “We are so grateful for the support of the community – golfers, many of whom represent local organizations and businesses, sponsors (please see attached list), donors, the volunteers and committee members who tirelessly dedicated their time to help make this tournament a success”, says Karen Priest, Golf Chair. Heart House Hospice also gratefully acknowledges Mayor Bonnie Crombie for her unwavering support of the Hospice.

Together, making a meaningful difference in individuals’ end-of-life experiences and their loved ones is the goal.

About Heart House Hospice

www.hearthousehospice.com

Heart House Hospice is Ontario’s largest community hospice playing a critical role offering compassionate hospice care, grief and bereavement support for people of all ages in Mississauga and Brampton at no cost. Each year, more than 1,000 individuals who are living with a life-limiting illness and over 3,000 loved ones receive home visits, participate in day wellness programs, children and youth grief programs, complementary therapies and other outreach programs. Thanks to community support, compassionate hospice care is provided with dignity and peace for those who choose to live their last days in the comfort of their own homes rather than in a hospital.
